April 1, 2013

To the Honorable Steve Sisolak,

Mr. Chairman, on Thursday March 31, 2013 the Majority leader of the Nevada Assembly publicly stated that he hoped the Clark County Commission would act swiftly to appoint a replacement for Mr. Brooks.

I have been in contact with the Speaker who would like to have a replacement by the end of this week. I have also been contacted for several weeks by Democratic residents of Assembly District 17, who are interested and willing to serve.

N.R.S. 241.020 requires three working days after notice to hold special meeting. I was told that on Friday that you would not call a special meeting. I plead with you to reconsider and call for a special meeting Monday, April 1st, 2013. If you make a request before 9 AM it can be held Thursday April 4th, 2013. If later on Monday, then Friday April 5th, 2013 would be the earliest.

I, and I believe others on the board believe and understand that although we are a powerful board. That power comes from the Legislature. Therefore a speedy response to the leadership of the Assembly, including a special called meeting to make an appointment to A.D. 17 would certainly be appropriate.

Thank you,

Commissioner Tom Collins
