“Improper Advocacy in Light of Her Conflict of Interest” (1)

“Conflict of Interest” (1)

“Violation of NRS 281A.420” (1)

Violation of the “Ethics in Government Law”... “improperly tried to influence” (2)

Mayor Buck believes she is above the law and consistently puts her own interests ahead of what is best for North Las Vegas.

On June 30, 2011, Buck used her office to advocate a position that directly benefited her financially without letting anyone know about her personal, financial “conflict of interest.”

Shari Buck is ethically bankrupt.
