We recognize Clark County commissioners as being the closest governors to "We the People," representing us in the republic form of government. We Honor your positions and thank you for your representation and care in protecting our life, liberty and property.

We would like to extend an invitation for a representative of your choice, to give a 15 minute speech on behalf of the commission, on live stage, Skype, or video message to be projected onto a large screen before the people. It will also be broadcasted nationwide via social media, radio and television. We would like you to take 15 minutes to express yourselves, the afternoon of April 10th or April 11, 2015.

We would love to have all of you, your associates and your families join us for the picnic.

Sincerely,
