Protecting the Rights of Nevada Gun Owners

As a constitutional lawyer and conservative, Mark Hutchison understands the importance of protecting our constitutional gun rights.

Hutchison himself is a proud gun owner who chooses to exercise his right to bear arms.

Hutchison is a Life Member of the NRA, is a member of the NRA's Golden Eagles, and holds a CCW permit.

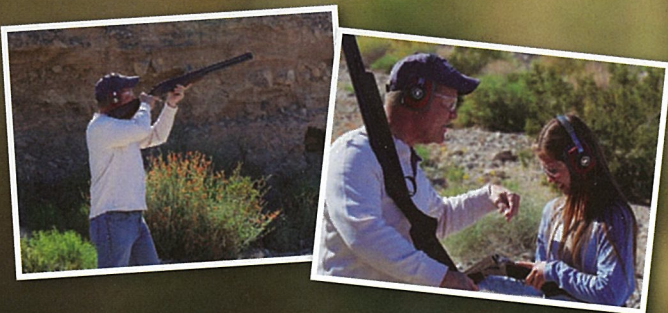

Together with Governor Brian Sandoval, Mark Hutchison stopped legislation that would have created a gun registry here in Nevada.

Hutchison stopped this attempt at infringing on our gun rights – and he'll do it again and again and again.

Hutchison will never stop fighting to protect the rights of Nevada gun owners.

That proven record and strong commitment have earned Mark Hutchison 'A' ratings from both the NRA and the Nevada Firearms Coalition.

SUE LOWDEN

STANDS WITH HARRY REID ...

Lowden has donated repeatedly to Harry Reid and other liberal Democrats, contributing thousands of dollars to Reid and others' campaigns.¹

... NOT US.

Lowden turned her back on our military men and women and sponsored legislation to force certain veterans to pay a fee to be buried in Nevada's veterans cemetery.²
