

REPUBLICAN
MARK HUTCHISON
Committed Conservative.

For the Love of
Family

Mark Hutchison and his wife, Cary, have been married 29 years. Together, they have raised six children and are now grandparents to four grandchildren. Mark believes marriage is the foundation of strong families and will continue to defend traditional marriage.

On Defense of
Life

Mark Hutchison is a pro-life leader who will lead the fight to protect the rights of the unborn at every stage.

To the US Supreme Court to Protect
Freedom

Mark Hutchison was appointed by Governor Sandoval to lead the legal fight against Obamacare all the way to the US Supreme Court. Mark did the job for free, because he is committed to preserving and protecting our religious freedoms, including the rights of employers of faith that would be forced by Obamacare to pay for health care services that conflict with their conscience.

HELPED ELECT HARRY REID ...

And Reid led the fight to pass Obamacare.

Sue Lowden has contributed thousands of dollars to Harry Reid and liberal congressional Democrats.

Lowden gave the maximum allowable contribution to Reid FIVE times.¹

Reid led the charge in passing Obamacare.

An explosion of big government overreach that has threatened our health care and religious freedoms, forcing employers of faith to pay for health care services that directly conflict with their personal, religious beliefs.

VOTED AGAINST OUR VALUES ...

Sue Lowden voted to keep Nevada a pro-choice state in the event that the federal Roe versus Wade decision was overturned.²
