# John Lee's Plan to Revitalize North Las Vegas

John Lee has an innovative three-part plan to restore our economy and create much needed, well-paying jobs.

## Gaining Control of City Expenses:

John Lee knows North Las Vegas must rein in expenses crippling our City. The local business community and working people support John because he is the only candidate for Mayor with a private-sector track record of fiscal restraint capable of getting our city running again!

## A Master Plan for Economic Redevelopment

Our City has the largest share of prime, undeveloped land in America and we are uniquely positioned to attract major development in three key areas – Logistics, Aerospace and Health Care. Our Mayor has to be an ambassador, constantly working to attract these clean, sustainable industries. John Lee has the experience and contacts to make the plan a reality.

## Restore North Las Vegas:

John's plan calls for restoring key services and amenities, reopening the libraries and recreation centers, STOPPING the Mayor's proposed park amenity fees and open Craig Ranch Park without charging our citizens admission!

**MAYOR SHARI BUCK'S POLICIES  
HAVE FAILED US ALL.**

John hears from residents everyday that these essential services need to be restored. They are key to turning North Las Vegas around.
