Chair, Assembly Judiciary Committee

Subj: ASSEMBLY BILL 321 – **SUPPORT**

Dear Chairman Horne,

Stillwater Firearms Association, a Nevada non-profit corporation, supports AB-321.

This bill provides that under the defense of justifiable homicide there is no duty to retreat if the person using deadly force: (1) is not the original aggressor; (2) has a right to be present at the location where deadly force is used; and (3) is not engaged in criminal activity at the time deadly force is used.

This is simply the right thing to do for Nevada's law-abiding citizenry.

Thank you for your attention to AB-321. On behalf of the Stillwater Firearms Association membership and untold numbers of law-abiding citizens statewide, I urge your support for AB-321 when it is heard in your Committee.

Sincerely,

J. L. Rhodes
