MY PLAN

- Reboot the community policing model and restore trust with accountability.
- Implement my strategic traffic plan to reduce injuries and deaths.
- Establish expedient, transparent, fact-based investigations of all use of force incidents.
- Protect our children through a stronger partnership with the Clark County School District.
- Ensure every police position is justified to meet the needs of our community.

MY RECORD

Since joining Metro 27 years ago, I have served in several leadership positions:

- Captain of the Bolden Area Command covering 1/8 of the population of Las Vegas, where under my command, the violent crime rate went down while it rose in other parts of town;
- Longest-serving S.W.A.T. Commander;
- Criminal Intelligence Section supervisor; and
- Nationally recognized tactical instructor.

He brings various sectors of the community together by compassionate listening and meeting residents in their neighborhoods. He has my respect and my vote.”
